Here are just a few reasons you may wish to accept this offer of no-cost insurance.

Acceptance is guaranteed

No medical exam or health questions are required. Members age 18 and older cannot be turned down.

You are protected 24/7

Your coverage is always in effect no matter if you are at home, at work, or traveling. That's protection your family can count on!

Coverage amounts that can fit your budget

Your no-cost coverage may not be enough in the event of a covered accident. Eligible members have the option of choosing from \$10,000 to \$300,000* extra accident insurance protection at affordable rates. At age 70, coverage (no-cost and additional) is reduced by 50%.

Benefits of extra protection**“Cost of Living” benefit**

TruStage AD&D coverage will be increased by 5% every two years on the anniversary of your coverage at no added cost to you. Your coverage keeps up with the cost of living up to a maximum 25% increase. (May vary by state as described in the certificate issued.)

Double accidental death benefit

If you die within one year of an accident while traveling on public transportation as a ticketed passenger, your extra coverage doubles.

Family plan option**Family protection**

The Family Plan can put your entire family under an umbrella of protection. For example, if you have a spouse and dependent children, it will cover your spouse at 50%, and your children at 20%, of your coverage level. It also includes benefits for child care and college education, as well as a child savings fund benefit. The child savings fund benefit is not available to members of Connecticut credit unions.
